THE OPEN ROAD

We have built your 1959 TOHARI around a theme which we have chosen to call THE OPEN ROAD. Let the term intrigue your imagination, as it does ours, and set your hearts to dreaming.

The open road--north, south, east, west it leads, wherever a dream can reach. It lies smooth and easy in the lush, green valleys; it winds, rough and rugged, over hills and across fields. It beckons us onward and outward, inviting us to explore the mysteries that lie in the ever-changing reaches of the earth, of the mind, of the soul. Down the vista of time, it stretches out into infinity.

Our years in school have taught us that all roads lie open to the willing traveler. We have learned to look for a road where none appears to exist. We know there is always one that will lead ultimately to the destination upon which we have centered our hopes and our ambitions; and we have learned to follow our own particular road with the confidence of courageous hearts, and with eager and questing minds.

The staff has tried to make this issue of TOHARI a faithful and accurate record of this year during which we have traveled together. May it keep fresh in your memory the faces, the names, the events which belong to this part of your journey. May it serve always to remind you that here is one of the pleasantest and best-loved spots at which you have paused to renew your strength and to be refreshed.

Student Body

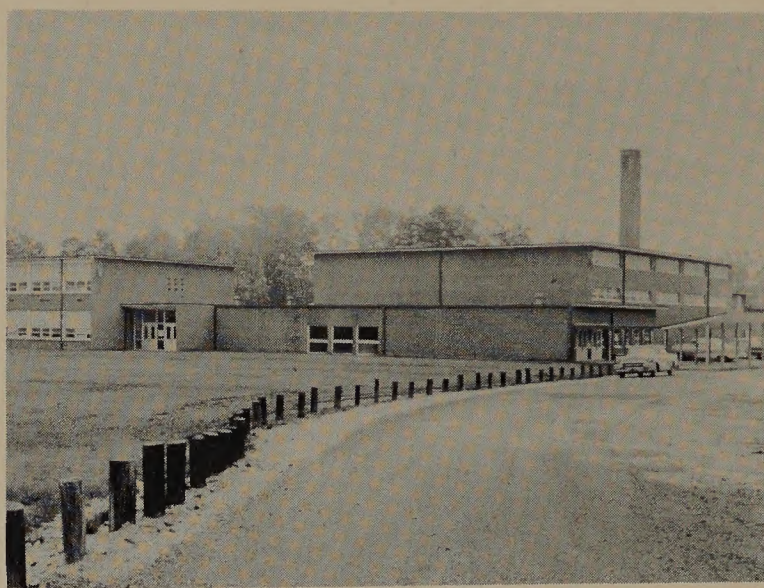

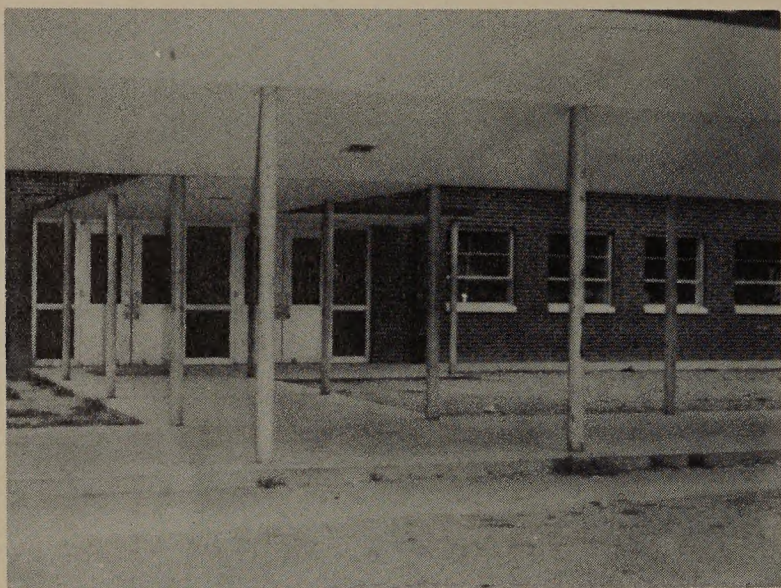

Northwest began its first school year in the fall of 1955. When the doors opened there were 483 students and 21 faculty members.

Northwest has expanded considerably during these four years and is crowded in spite of six new classrooms opened for use at the beginning of this year. Construction of a new auditorium is now underway.

We have at present 670 students, and 27 faculty members. More than fifty courses are offered to our students.

This picture shows only one wing of the modern building.

The Northwest High School Library offers a wide selection of books in almost every field in its 3869 volumes. Miss Smith, the librarian, or a member of the library staff is on hand at hours beyond the school day to help students with their library problems.

The lunchroom has a hard-working staff that prepares a well-balanced, inexpensive meal for the students. The new feature, the short lunch line, is popular with students who wish to buy only a snack.

Our gymnasium serves many purposes. The most important use, of course, is for indoor athletic events; but until our new auditorium is completed, it also serves as our assembly and recreation hall. The modern facilities are a source of pride to all members of the student body.

Dedication

Mrs. Fay Rives Benton

With the opening of Northwest four years ago, Mrs. Benton joined the faculty here, coming from the home economics department at Old Town. During these years, she has served the school and the student body, both individually and collectively, with a tireless and selfless devotion that has sought neither recognition nor reward.

Every Friday during football season, the team has, for these four years, had its evening meal prepared and served under the supervision of the home economics department. Extra time after school to help a class, a club, or an individual prepare for a tea or a party is a service that students frequently request of Mrs. Benton and unfailingly receive. Plan a banquet, serve a dinner, select a color scheme; every day brings its quota of chores that lie without and beyond the bounds of obligation and duty.

Mrs. Benton is quickly and quietly efficient in any emergency. Whoever loses a button than cannot be replaced by the ever-serviceable pin hurries to her for first aid. Both major and minor damages to clothing and hearts are daily offered her to be repaired. She is never too busy for them and always manages to send the victim away with injuries no longer visible, even if the repair cannot be permanent.

Because of all these things, and because she is herself gracious, kind, wise, and forever young to understand the ways of youth, we offer her this work of our minds and hearts and hands in dedicating to her this edition of our yearbook.

Mr. Gibson, our principal,

"But I had an appointment!" Mr. Gibson and friend.

Mr. Gibson, our principal, acts as leader, counselor, and friend to all who are connected with Northwest. Because he is hard working, efficient, pleasant, and fair, he holds the respect of all members of the faculty, the student body, and the community.

"...and they are on the absentee list again." Mr. Gibson talks to Mrs. Penuel, school secretary.

Miss Jessie Threlfall

Carol! I'll miss you next year. You assigned to someone having should you been a student! Our English department is staffed by six highly competent instructors. Mrs. Snyder and Mrs. Hauser are new members of the faculty added to the department this year. Our courses of study are intended to prepare the student for freshman English in college, office work, or for the ordinary uses of every day life. Bear with you for future years at J. Threlfall

"Where tall trees whisper softly...". One of Mrs. Newman's groups sings the school song.

"Yes, it's an A."

"Only 2,000 more and we'll have enough for the Junior-Senior." Miss Threlfall talks to Rachael Motsinger about a junior class project.

"Watch the birdie!"

"And this will tell you all about it." Mrs. Hauser gives the Kuder Preference Record to Eddie Sharp.

Mrs. Henrietta Holland

Mathematics helps us to think

There have been two major changes in our mathematics department this year. Plane geometry is now offered to the sophomores and Algebra II to juniors. In previous years these courses were offered in reverse order. Advanced Algebra, replacing solid geometry, is now offered with trigonometry to the seniors. One new faculty member, Mrs. Alsbaugh, has been added to the math department. General math, business math, Algebra I are other courses available at Northwest.

Did you say you were from M.G.M.?

"No, two and two don't make five!" Mrs. Speas explains a problem to Pat Woodward and Doug Sprinkle.

"Is this an errow?" Mrs. Alspaugh explains a math problem to Wanda Parker and Bobby Bullard.

"Wait until you hear this one."

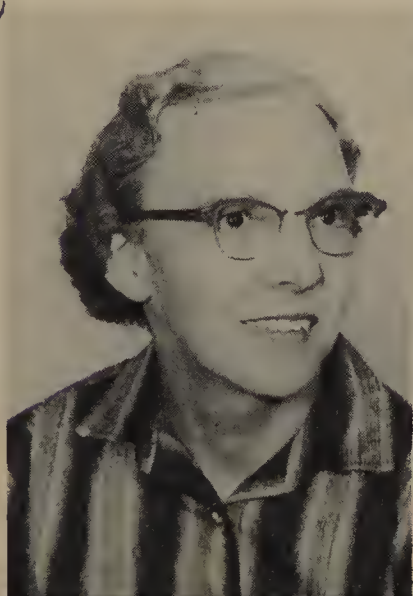

"One more spit-ball and I'll..." Miss Dowell in her general math class.

Two foreign language courses are offered to the students at Northwest. They are Latin I and II, for freshman and sophomores, taught by Mrs. Eva B. Sprinkle; and French I and II, for juniors and seniors, taught by Mrs. Catherine V. Steelman.

"If I've told you once, I've told you a thousand times." Mr. Sprinkle asks for the genetive plural of puella.

"French! You should have told me sooner!"

Chemistry, physics, and biology students are alert and active. They plan and execute such projects as a "cloud machine," which demonstrates alpha, beta, and gamma rays; a Hero's Burner, showing the principle of steam jets; a history of glass; a Telsa Coil; an original model of a jet aircraft, and many, many others.

Home economics, required of all girls at Northwest, not only teaches the fundamental skills of nutrition and home making; it also aims to develop social grace and poise. Our home economics department reaches out into the community by means of adult classes which instruct the homemaker in many subjects of interest to her. Classes in sewing, metal craft, flower arranging, nutrition and weight control, interior decoration, and the like are annual features of the department.

Jerry Stoltz Has a Hand In Three Falcon Scores

Jerry Stoltz had a hand in three of the four touchdowns Northwest scored against Gray Friday night as the Falcons won, 27-14.

Jerry, Northwest High quarterback, passed for two touchdowns and scored another himself. Since he handles the ball on every play, he actually had a hand in the fourth score, when Ken Moore went 18 yards.

Stoltz, the son of Mrs. K. H. Stoltz, 3416 Valley Road, has been playing football since he was a sixth grader.

"I started as a tackle," said Jerry, "and I played in the line my freshman year. Then, Coach Harris (Von Ray Harris) suggested I start learning to throw a football, said he was going to suggest to the next coach (Colon Nifong) that I play in the backfield."

Nifong put Jerry at quarterback, and, except for some work at fullback, he's been there ever since.

Gregg Praises Stoltz

Assistant Coach Bill Gregg who has worked closely with Stoltz says, "Jerry is the best high school quarterback in this part of the country. He's probably completed about 50% of his tosses and has passed for about 10 touchdowns."

There's at least one official who can testify that Jerry is a deceptive ball-handler. Against Reidsville, Jerry fooled the Lions and also the officials. Everyone thought he'd given the ball to fullback Hugh Whitted. The official was red-faced when, after

JERRY STOLTZ . . . leads Northwest offense.

he blew his whistle, he found Jerry standing there with the ball.

Coach Colon Nifong says Jerry "has been the team leader all year."

He's a fine competitor. Last year, against Gray, the Hounds gave Northwest a solid beating and were leading 34-0 when Jerry took over. He passed for three touchdowns to at least make the score respectable.

Jerry's plans are not certain. He'd like to go to college but he doesn't know where or even what he wants to study.

He went to Clemson last weekend to see the game with Wake Forest and talk with Tiger officials. He has been contacted by several other ACC schools.

Runnerup in the voting was Gray High's king-sized tackle, Tony Walker. Tony played an outstanding defensive game for Gray and even shifted to the backfield for a couple of plays.

David Blanco kicked the extra point that enabled Reynolds to beat Charlotte Central, 7-6. Blanco's extra-point kicking has been sound all year.

Meadows Scores Twice

Jackie Meadows scored twice for Kernersville to get the Raiders started against Mayodan.

Sam Freeman played a fine defensive game and served as a good pass receiver again as Hanes lost a squeaker to Rankin, 14-13.

Rod Henley led Mineral Springs' offense as the Bulldogs played one of their best games of the season before losing to Morehead, 19-6.

David Simpson was a defensive standout for Children's Home against Davie County.

Larry Simmons led Glenn's offense against Griffith.

John Broadstreet's passing kept Walkertown in contention against Southwest.

Frank Harrelson scored a touchdown and led Southwest's offense against Walkertown as the Trojans copped Forsyth's Class AA-C title.

Bill Burton paced Griffith's offense in a 38-0 win over Glenn.

J. B. Sharpe topped Atkins' offense and played a sound defensive game as the Camels beat High Point.

Ossie Cunningham went 68 yards to get Carver started to a win over Salisbury.

Norman Scores 21, Is Player of Week

By MARY GARBER

Staff Reporter

Derry Norman took over Northwest's offense last Friday against Griffith.

The senior halfback scored three touchdowns and three extra points in the Falcons' 27-0 win to be chosen player-of-the-week.

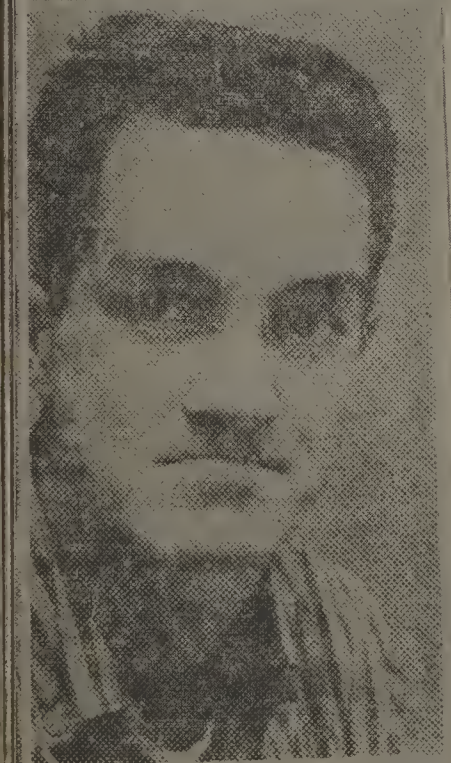

Norman is 17 years old, the son of Mr. and Mrs. A. D. Norman, 1101 Norman Drive. Derry's older brother, Don, was a star athlete at Old Town High and at Northwest. When Derry started his sports career, he often felt he was standing in Don's spotlight, but now he has one of his own. The youngster is a three-letter man at Northwest. "Basketball used to be my favorite sport," says Derry, "but now it's football."

Though Morehead handed Northwest its only loss, Derry thinks Mount Airy is about the toughest team he has faced. The takeover by the Granite Bears gave Norman his top sports thrill until he had his big scoring night against Griffith.

Derry was pleased that the Northwest running game finally started to roll. The Falcons have had to rely mostly on their pass-

Consistent Performer

Coach Colon Nifong of Northwest rates Derry as one "of our best consistent performers. He's a good runner, a good pass receiver, and he's done our punting the last two years," said Nifong. "Maybe he isn't the most spectacular player, but he's a steady one. You can always count on him."

Whitted Is Quite Tough For 143-Pound Fullback

Coach Colon Nifong of Northwest watched 143-pound Hugh Whitted walk down the hall yesterday as classes were dismissed and sighed, "If that kid weighed 50 pounds more and could run like he can now, man, I'd have the best high school fullback in North Carolina." He paused. "He's pretty good right now, though, not to be any bigger than he is."

Nifong would certainly get sound agreement in Mount Airy on that subject for Whitted gave the Granite Bears a fit Friday night in the 13-0 Class AA win by Northwest. He ripped up the Mount Airy line with his drives and as a linebacker racked more than one Bear runner.

He's the player-of-the-week in the second selection of the season. Whitted is a senior, son of Mr. and Mrs. H. E. Whitted Jr., 435 Brookwood Drive.

Injured Last Year

Hugh figures he's been playing football since he was about a sixth grader, fullback most of the time. Last year, he was in and out of the Northwest lineup because of a succession of head injuries. At first, it was thought Hugh wouldn't be able to play this season but a conference with his parents and the family doctor and some earnest pleas by Hugh got him a chance to play again.

"I guess my biggest trouble is trying to learn to run like a halfback," said Hugh. The solidly built youngster figures if you can't go around an immovable object, the only thing to do is to go through it. That's sometimes not too easy.

"Hugh doesn't need a hole," said Nifong. "Why he was going through slots in the Mount Airy line you couldn't have dropped a hip pad through."

There's probably not a player

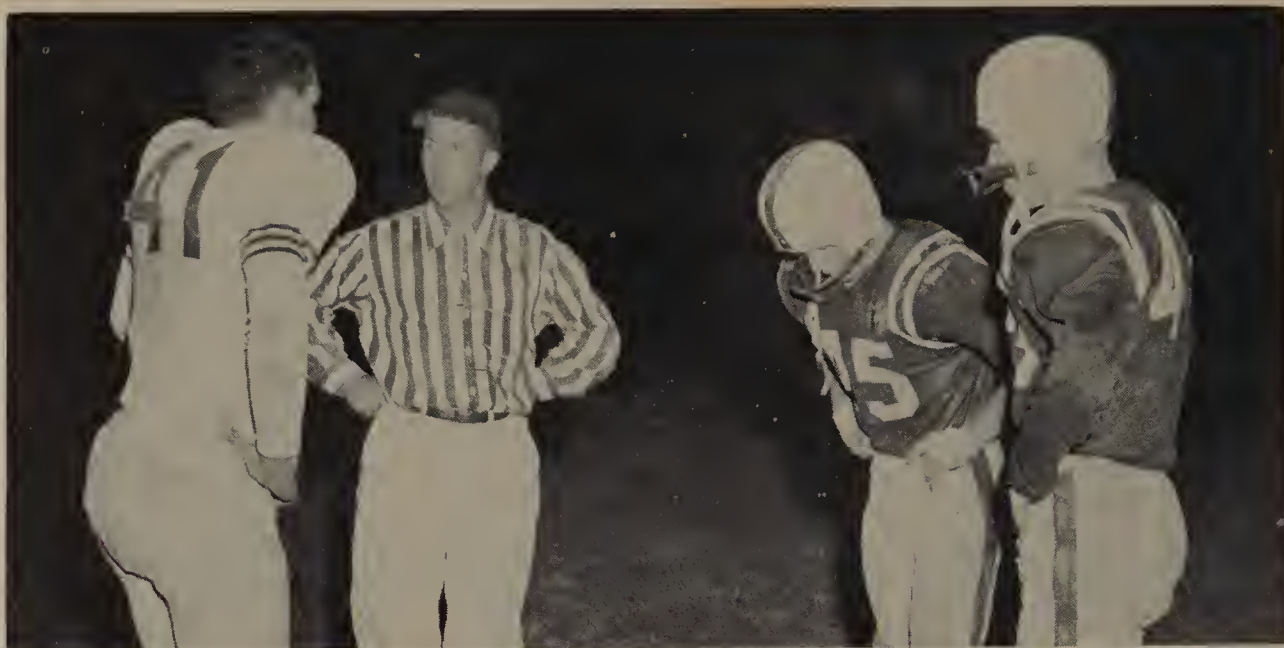

HUGH WHITTED . . . leads Northwest win.

in Forsyth county who has more desire than young Whitted. When he talks about football his eyes shine. "Sure, I only weigh 140 now but I'm lifting weights and I think I can put on a lot of weight so I can play college football next year. What I'd like most though is to play pro ball. After all, Charlie Justice wasn't so big . . . "Hugh's eyes fell . . . " "Course I'm not any Charlie Justice. . . "

Likes Skin Diving

Next to football comes skin diving. Hugh got interested in that one summer and he works on it at the beach. "I'd like to go to Duke," says Hugh, "but I figure it this way, if I could go to Miami and play football, then I could skin dive on the side."

Northwest wins the toss.

TIM POWELL - WINNER OF THE CIVITAN AWARD

The Civitan Club annually gives an award to the student voted the best school citizen. The winner must be outstanding in service, leadership, character, and scholarship. Tim was chosen from many nominees.

FRANK A. STITH III - our candidate for the JAYCEE JUNIOR CITIZENSHIP AWARD.

Frank will compete with candidates from other schools for the honor of being named the "outstanding junior citizen" of the city and county. His impressive list of achievements should place him in the top rank of the candidates.

OUR SENIOR TRIP TO WASHINGTON

AUTOGRAPHS

Dear Carol, it seems like the year has just started, not ending. We've had such good times - the car, 4 horses, parties, ball games and track meets. and all the sisterly talks we've had. I only hope the future holds the happiness and joy that you deserve! Stay the wonderful person you are always.

God Bless You
 Always
 Annie

Best Luck
 Carol,
 You are pleasant trouble to me. I hope that this will perturb our friendship.

Best of luck to
a sweet girl. Hope
you have a nice
time this summer.
Myrtle L.

Carol,
This year has
been one big ball
I truly enjoyed
the afternoons we
went out Polo and
down to Bethabra
Estates. Remember
the Sat. on the way
from the "dairy bar"?
It was wicked!
I'll never forget
you. May good luck
always be yours,
Ray League

Carol,
I have enjoyed
being in Home Ec. with
you. I wish you all
the luck in the world.
Rachel Davis

Good luck
to a sweet girl.
I'll see you
next year.
Carol Davis

Carol,

I really have enjoyed this year with you. I hope we have as good a time this summer and next year as we have this year. So real good and don't do anything I wouldn't.

Love,

Yvonne

Best of luck
to a sweet
girl. I wish
you the best
of everything
I can give you.

Carol,
I have enjoyed swimming
this year. The next time we go
to the show I got to sit in the
middle. Vicki

Carol, old gal, old girl -
there's too much to say
even to try. It's been a
wonderful year. Best of
everything to you.

Marie Oberhofer

Best of
luck.
K.K.T.

Carol,

Best of luck always
to one of the nicest
girls I know. I hope
we can be together
more next year.

A friend,
Sheron F.

lots of luck
